Cryochamber - Cryocenter

For personal reasons, I want to hand over an established, absolutely well-functioning business to good hands.

It is a turnkey business with full equipment and ready for immediate operation.

It has a high level of customer satisfaction through excellent reviews and loyal customers.

The business offers enormous growth potential as it offers a strong market position with the brand and numerous expansion opportunities.

The shop is particularly suitable for physiotherapists, cosmetic specialists or alternative practitioners who need another constant source of income.
