## Offer Corporate follow-up, firm follow-up, follow-up **Surf Kite Wing Products Specialist Shop**

These are two specialist shops that have been operating successfully for several decades, selling surfing, kitesurfing, wing surfing and windsurfing equipment. There are two locations on the island of Fuerteventura, enabling us to provide excellent, professional service to customers in both the north and south of the island. The current stock is valued at approximately €75,000. This can be taken over in its entirety, including the company van, both tenancy agreements, the relevant licences, and social media channels, etc.
