A solidly built renovated hall with a height of 8m and 4m high gates with a drive-through option currently has about 2000sqm of hall space for rent.

The hall has a total area of approx. 4000 square meters in 4 separate sections.

The 2000sqm can be divided from 150sqm.

The total plot area of 25000sqm allows generous movement in the outdoor area. From 2027, outdoor space will also be available for rent.
