Over 18+ years on the market | Premium Delicatessen Manufactory | with market cart & online shop

For sale is an established premium delicatessen manufacturer with an exceptionally high number of regular customers, a strong regional reputation and an almost unrivalled concept on the market in + the surrounding area.

The company combines artisanal delicatessen products, high-quality cheese specialities and homemade cakes in a unique sales concept. Particularly noteworthy is the mobile specialty market cart, with which the company has been successfully represented at weekly markets for many years.

In addition, a modern online shop has been set up, through which the first Germany-wide sales are already being achieved.
