Turnkey Catering & Event Business with Real Estate — Poland (Bzówki, National Road No. 91)

A rare opportunity to acquire a fully operational, profitable going concern in the gastronomic sector — including land, buildings, equipment, contracts and full business operations. Ideal for investors seeking immediate cashflow, scalable operations and long-term expansion potential.

Investment Highlights

- Business Type: Event-focused restaurant + high-volume catering with delivery
- Net Monthly Revenue: PLN 50,000–70,000
- Asking Price: PLN 3,199,360 (negotiable)
- Transaction Type: Full ownership transfer of the operating business and all associated assets
- Operator Status: Recognizable local operator with established market presence
- Compliance: Fully compliant with sanitary and operational standards

Assets Included in the Sale

- Restaurant Facility (approx. 380 m²):
Two banquet halls, terraces, professional kitchen designed for large-scale production
- Land Plot (37,150 m²):
Extensive grounds suitable for further development or event expansion
- Residential House (116 m²):
Newly built, currently occupied; technical completion scheduled for 2026
- Full Equipment & Furnishings:
Complete kitchen, event halls, back-of-house infrastructure, and fully furnished residence
- Energy & Water Independence:
Photovoltaic panels with energy storage, deep well, retention tank, small greenhouse
- Delivery Fleet:
Transferable lease agreements for catering vehicles

Operational Strengths

- Dual-track revenue model:
Event hosting (weddings, receptions, banquets) + daily catering production
- Stable contracted income:
Hundreds of meals produced daily under long-term and recurring institutional contracts
Additional contracts currently under negotiation
- Prime location:
Positioned directly on national road No. 91, ensuring visibility and efficient logistics
- Scalable business model:

Infrastructure and land allow for expansion of event capacity, catering production or complementary services

Transition & Support

The current owner offers 1–2 months of onboarding, including operational handover, know-how transfer and support during transition — significantly reducing acquisition risk.

Summary

A fully operational, profitable gastronomic business with real estate, infrastructure, stable contracts and clear growth potential. Rarely available turnkey opportunity in the Polish market — suitable for investors seeking immediate revenue and long-term scalability.
