ID 27409

Offer Commercial rental and leasing

# Engineering

Attractive 400 m² office space (240 m² ground floor / 160 m² upper floor) located in the industrial park. Barrier-free access to the ground floor can be implemented at short notice via a lifting platform. A shaft is already in place for the installation of an external or stairwell passenger elevator serving the upper floor. The landlord offers the future tenant significant input regarding the floor plan layout and elevator installation, subject to a corresponding contractual agreement and cost-sharing arrangement.
6 parkings in front of the door

Commercial rental and leasing
Region 76, Germany
Entry in own name
