Car dealership

A long-established car dealership in , offering a wide range of automotive-related possibilities, awaits you!
Expansive open areas—spanning a plot of approximately 6,600 m²—and an impressive showroom provide the ideal sales space for a large fleet of passenger vehicles.
In addition, you have access to a separate vehicle preparation bay, a fully equipped workshop, and a body shop. These facilities come complete with a wide array of equipment and machinery, allowing you to launch your company and get straight down to business. We would be delighted to support you as a franchisee with special terms, giving you access to more cost-effective market segments!
