Offer Shell companies, Shelf company without operating
Polish limited liability company

Ready-made Polish limited liability company for sale.

Acquisition of 100% of the shares in a registered Polish limited liability company (sp. z o.o.), ready for a new owner and a new business project.

Key features:
• Active Polish and EU value-added tax registration.
• Bank account.
• Reviewed corporate history.
• No outstanding debts.
• Ready for sale.

Suitable for a wide range of businesses.
The company can be used for trade, services, e-commerce, IT, consulting, manufacturing and other activities. Its business scope can be adapted, subject to the relevant activity codes, permitted legal form and sector-specific requirements.

Company documentation is available for review before purchase.

Price: €1,000 for 100% of the shares.
Preparation of the sale documents is included. Court and applicable notarial fees are additional.
