## Look for Corporate participation, firm participation **Model Construction System**

Ladies and Gentlemen,

I have been working successfully on a new Project in for half a year. We are in the Process of Recreating the Valley Axis of 1:87, that special ones from the Year will then be made available to the Public, as in Hamburg. For this Project, I am still looking for Investors or Sponsors.

Underpental-achse.de you can see the first stages of construction.

Sincerely

Jürgen
