Established Cosmetic Studio

The Cosmetics Studio has been established for over 3 Years in a Fitness Club on the Outskirts of Munich and has a loyal Customer Base.

Working with the Fitness Club is very good and constantly gives new Ways to attract more Customers easily.

Sales have been stable for 2.5 Years. Since the Studio was operated Part-time, it is possible to further Expand its sales (Opening Hours, etc.).

Due to the Location of the Studio and the Clientele, it is particularly suitable for younger Beauticians who have already gained their first Experience in the employment Relationship and are now looking for An easy and cheap Way into Self-employment.

The Studio is fully furnished and can be taken over for immediate Continuation.
We Are also happy to Assist the Successor in the Early Days, if that is so desired.
We look forward to Hearing from you!
