Offer Corporate participation, firm participation

Developers

New construction projects in (city centre and centre on the outskirts)

We are a renowned company in for inner-city project development. We are looking for developers who are able to implement our real estate products.

Our projected properties are mostly located in the redevelopment areas of the city. The land is acquired by us. For the implementation of the individual development phases, we are looking for an investor to participate in the individual real estate companies.

Depending on the property, the capital is currently between €500 tds and € 10 million
