Custal Host diving school in the Caribbean

Investor sought for a pet Host diving school in the Caribbean.

In an already existing Diving School in a dreamlike Location, a unique custical Host diving school is to be created. Hoehlentauchen is a popular Sport worldwide, but requires Certificates that can be purchased in natural Hoehlentauch Schools. Due to the natural Conditions, however, this Form of Diving is very façal, because there is no turning up everywhere. In the new, unique Cell diving school In the world, these Dangers are minimized without losing the natural Chronicler. Even an Outside observation will be possible without the diver noticing anything about it. At the Site are of course also normal Diving in the Caribbean, visits of a unique National Park, Etc.
