Look for Corporate co-operation, firm cooperation

## **Office community music and media company**

We are looking for partners in the area, optimally in the fields of media / film / music or advertising, for the common, more cost-effective use of office and conference rooms.

We are a music label with an attached production studio for advertising / music / film sound and would like to expand through new premises and business relationships.

The aim is to create a kind of "media house". Various target groups are to be optimally addressed within an office complex in order to use synergy effects efficiently.
