## **Wine and Specialty trade And Restaurateur concept**

A Partner with capital is sought for a Restaurateur concept that Has not yet been negotiated in Germany and the Import of Wines and Specialities, as well as their Marketing.

The Concept is based on wines and Specialities that are scarcely available in Retail. The Wines and Specialities are of excellent Quality and Hardly available in Germany. With this Concept, I could imagine running a Restaurant with wine and Specialty Shops, as well as an Internet Shop.

The Capital Requirement depends on the Size and Form of implementation of the Concept. A Franchise system can be implemented with this Concept.
