Offer Corporate participation, firm participation **Ebay Dealer**

Ladies and Gentlemen,

I am looking for business Partners for my Ebay Order business partner who work in the Company and participate financially, at least €30,000 of Equity.

The Sought-after employee would work independently in the Company, a Lagrehalle and Office Space are available.

About the existing Company:

The Company is developing very well, but at the moment I do not have the Capital to expand-good Investment Opportunities are limited.

Even a silent Participation would be possible, a Return of 20%-30% is realistic, as Collateral the Goods would serve.

More Information During a face-to-face interview or on the Phone.
