Production of Designer Cages for Pets

We are looking For capital of €30,000 to 50,000 for the Development and Production of Designer Cages for Pets.

Production takes place at our own Plant in Banphet/Thailand. We can produce a high Quality There at low Production Costs.

The Sales process takes place from Germany and is to be continuously expanded by Sales partners all Over Europe.

For the Start in Germany, we will employ two Outwardworkers.

Calculudorert will be available at short notice with a monthly Turnover of €25,000 to €30,000. In the medium and Long Term, we calculate between €75,000 and €125,000/month.

The Capital is to be incorporated into the company in the Form of a "Silent Participation."

The Level of Participation Depends on the Capital input.

In the case of an Investment of

1. €30,000 = 15%
2. €40,000 = 20%
3. €50,000 = 25%

We are Happy to advise you personally!
