## Look for Corporate financing, investor **International Film Production**

We are Seeking Funding of €50,000 for an international Film production.

Unfortunately, the Project is still relatively close. For a public Promotion, the Script would already have to be written and at least the Director would have to be fixed. The Funding is needed to achieve it.

If You are interested in further Information or Interest in financing, please contact <a href=""><img src='images/mail.gif' alt='Inserenten' hspace='0' border='0'></a> (please only earnest letters!).
