Look for Corporate participation, firm participation

Magazines- Book publishing with no on-line offer

I am looking for an active participation in a magazine/book publishing house with/without on-line offer in the field of art/photography or technology/natural sciences/information technology I am also interested in starting up with a suitable partner.

I have been working successfully as an entrepreneur for many years. Have extensive international experience (Europe, America, Asia), especially in marketing/PR/sales as well as science-oriented information technology.
