Wakefital Dear Investor

Here are some Facts and Figures about our Company. Our Company has been successfully involved in the Start-up and Sale of Insolvency Companies and their Current Assets for 4 years. We handle complete Plants until the suret Handover. The Company has very good Contacts with the largest Insolvency Administrators in Germany. This makes it possible to buy the Plants or Current Assets before an Auction. This ensures that the Goods can be purchased at very reasonable Prices.

The Company is Headquartered in NORTH RHINE-WESTPHALIA. There we maintain a modern Warehouse with 2600 m² of Storage Space. There is also a Fleet of trucks and Forklifts to ensure a smooth Operation. The purchased Merchandise is made by our 9 Highly Qualified Employees through various Trading Platforms such as Ebay.
