Look for Corporate financing, investor

Agency Agency qualiifiz Representative staff

It is sought for equity capital or loans i.E. 25,000 euros as start-up financing of a representative agency. Company form: GmbH & Co. KG as leasing. Companies are looking for qualified representatives. No long search, few requests, immediate finding of the ideal "replacement". That is what companies want. The representative staff are long-term unemployed (50+) with corresponding skills/qualifications/experience without any chance of finding a job. By demonstrating one's own strengths during the assignment as a representative, the potential employer should become curious about him.

It is not a temporary agency.
concept, contacts exist (on both sides).
