I Have been working at Change Books for almost three Years, an incredible amount of Time, Money and Work has been invested to this day, now there is a lack of Capacity (Finance Providers, Employees, Means of production) and Finance.

Need almost EUR 8000 For small Batches from all Plants (at least 500 Pcs each), which are to a large Extent sold in Book Retailing by the End of The year.

At the moment I do all the Works myself, for example Also foreign Trade, Trade Fairs, trips abroad, etc., that is why only active Personalities are in demand to expand with the Publishing House.

The Publishing House, authors, Speakers and Artists specialise in Audiobooks and radio Plays and eBooks.

Printing works and new Media are also in demand.
