Hotel, pension, apartment complex on the Ostsee

Dedicated couple is looking for well-established hotel/pension/apartment complex or even an object under construction in the immediate Baltic Sea location. We have been working in the field of management (non-industry) for many years and are looking for a new challenge. My partner has completed an apprenticeship as a hotel clerk. Very good commercial knowledge and organizational talent are available. We are looking for an object to buy up to 500,000 euros, but also a lease would be conceivable. We would be pleased to have an offer!
