Look for Corporate financing, investor **Publisher**

New Publisher is looking for Investor/Kapital for the following interesting Projects:

1. Marketing of an Author's potential Bestselling Novels (exciting, witty splashy entertainment novels and Comedies, as well as Novels with "spiritual" Touch), Marketing, sales Building, press work, Establishment as a "Brand."
2. Set up and Market the "Children's Section" of the Publishing house with Coloring Books, Audio Stories, etc. with "identification Figures" suitable for Children.
3. Building and Marketing the "spiritual" Section of the Publishing house with Books that-in terms of content and Subject matter-are located in a clearly defined "Niche Market."

We would love to engage with an Investor who not only has the "naked" everyday business In View, but has also retained the living interest in creative, "mental" Thoughts and Ideas.
