Offer Corporate co-operation, firm cooperation

Window Construction, Facades, Window doors

We are an established, medium-sized East-Swiss window technology Company in the border area with Germany and Vorarlberg, specializing in the field of innovative Techniques in the Wood and metal windows sector, window doors and Facades.

In order to Strengthen our existing Market Position and Exploit the existing Market Potential in Switzerland as well as in Germany, we are looking for a strategic Partner with operational Activities, with whom a strong Cooperation and Cooperation to Achieve A Win-win situation for both Sides is to be realized.

We turn to Individual Companies and Companies that are also interested in a long-term Orientation and Strategy. Any Participation in our Company is possible or not excluded.
