## Look for Corporate follow-up, firm follow-up, follow-up **Hotel Garni od Pension in Upper Bavaria**

We W/39 u. M/46 are looking for nice honest people who would like to use us as a successor for your well-managed Hotel Garni or pension with at least 30 beds.

Who are not only looking for a big profit of your property, but are looking for good successors to know your life's work in good hands.

We can imagine a lease lease rental or purchase that can be realistically achieved in today's times by the turnover.

We have already built a Hotel Garni unfortunately only 16 beds and would like to enlarge.

We both have learned professions in technology and gastronomy.

Our current owners are very happy with us

and also friends, the best testimony is our guestbook!

We would be looking forward to getting to know you even if it will only be a nice visit.

Yours sincerely

Wallner
