

# The big business marketplace

Business for sale more than 15 years

---

ID 7758

Look for Corporate participation, firm participation

## **Internet companies, portal**

I am looking for a stake or the purchase of an internet company, gladly also niche business.

I have been building young internet companies myself for 8 years and am therefore networked accordingly.

I deliberately do not make my request because we are looking for multiple shareholdings.

We are happy about your mail.

### [Participation](#)

Region 10, Germany

Entry in own name
