Look for Corporate participation, firm participation

## **Vdsl It Communication**

Ladies and Gentlemen,

I am Looking for an Investor in the IT Industry.

The Investor would be considered a breastfeeding Company a certain Percentage involved in the Company. I therefore grant You that You will be involved in the Turnover.

As already described, it is a Project in the IT Industry.

The Following Service Sectors are offered:

-Domain Trading (International)

Domain will be registered at the Purchase Price and will continue to be sold.

-Webpace (International)

Rental of Virtual Hard Drives on Servers

-VServer (International)

Rental of Virtual Server Systems

-Rootserver (International)

Rental of complete Server Systems

-DSL 54000kbit/s (Regional to Nationwide)

Sale of Internet Access With an over-demining bandwidth.

I hope I have awakened Your interest with a small Overview. I also have a complete Business Plan.

### [Participation](#)

Region 38, Germany

Entry in own name
