Hotel

This youth-style building from the turn of the century is unique in . Especially due to the loving and elaborate renovation (each room has a different theme), this hotel stands out very from the rest of the offer in . This object is in ideal object for an operator who is looking for a full existence. Another plot of 730 m2 in an equally exposed location can be purchased for € 320,000,--. There are some very interesting and lucrative concepts for this property.

The hotel has a total of 16 double rooms (including 6 rooms in the opposite house) and 1 single room. All rooms have a sanitary area (shower, toilet and washbasin). On the ground floor there is a well-run hotel restaurant (25 seats) with a professional kitchen (a double-sided kitchen block) and a very nicely landscaped outdoor terrace with further 40 seats.
