Look for Corporate co-operation, firm cooperation

Studio studio, graphic, advertising

I am looking for individual fighters, agencies, creative

After 8 years self-employment and single-struggling existence, I look for work together with other creative ones ... Talk about

A connection to an existing agency, or another one-man-creative.

I am active in the field of sales, graphics, advertising and pressure support – but the work is becoming more and more intensive and customer care is becoming more and more intensive. That's why I'm looking to find the same thinking in the köln area.

I started my successful alone entertainment at 28 years old but need others

Creative and open-minded people around to be even more intense and concrete

Customer requests. That means other creative ... Copywriter... Producer.

The goal is to exchange ideas, supplement and follow new paths together.

I offer the complete pre-pressure stage.
