Manufacturer of Punching Machines

In the Form of an Engineering Firm with external Manufacturing, we have launched a Range of Sheet punching Machines, some of which are now already with very good Resonance with Photo Studios, Digital printers, advertising graphic Designers, But also with End Customers, such as a large Horticultural Business. In addition, there are Cooperation agreements with a large Stamping Tool manufacturer, with which we have jointly developed a Tool and which is now being distributed with great Success. Active participation (Technical, Production or Sales) would be optimal.
