Sandblasting and galvanizing company

The company to be sold deals with the sand blasting of metal parts, such as fences car bodies etc. and, depending on the customer's wishes, also with the subsequent galvanizing by means of injection galvanizing. The contents of the sale are the complete technical facilities incl. customer base. The galvanizing plant is 1 year old and is in very good condition. More details during a conversation. The company can be taken over immediately.
