Film

40-year-old All-rounder With successful Vita as managing Partner of various GmbH's is looking for One or more Investors to Realize a Drama/thriller feature film project around NASA. Production Site BRD/USA. An existing renowned Film Rental Guarantees optimal Distribution for Europe; Through Contacts with Distributors in the USA (I have already completed a feature Film there as an Executive Producer), there is the Possibility of world Distribution and thus on high ROI. Unusual low Production Costs (about 500 TSD EUR) due to Studio production and Use of Footage material. Project can be completed through existing or new Investment Company. Rejoice in Your early Contact.
