Bowling Centre with alternative cinema

Search for Starting a business financial Aid/Support in the Form of Venture capital as a small Loan (15TEuro) or Co-opt Partner with corresponding Backround. In a Holiday Region (Baltic Sea Resort) with Spa Clinic etc. I plan to start a Bowling centre (5 Lanes) with integrated Alternative cinema. An exceptional air-conditioned Building with enough Space is available and I finance the Bowling Facility. I now need funds for Interior Fittings, Materure creation and to Cover Upfront costs such as Rental Deposit and entrepreneurial/employee pay. Who is Interested in participating in this non-recurctionless foundation, E.g. takeover of gastronomic supply (Sports Bar)?

Founding Location: Small Town right on the Coast without Consectoration. Capital Requirements: About 15TEuro, which I pay back as a Loan.

Thank You for Inquiries.
