Business Process Management Application and Consultancy

3 young, motivated "High Professionals" on the way to self-employment. Our company will develop and sell process management software and offer business process management consulting. Our focus is on the European market (D, A, C, UK) and through our Asian partner on Southeast Asia and China. For this we lack a dedicated Chief Technical Officer, who will plan and lead the software development in the BPMN environment as a founding member.

1. Technical knowledge:

- a. Microsoft NET (must be)
- b. SQL (must be)
- c. XML (must be)
- d. J2EE (can be)
