

The big business marketplace

Business for sale more than 15 years

ID 8608

Look for Corporate participation, firm participation

Business (Clothing)

I look for in this way respectable business partners for my again created company. This concerns itself with the clothing industry, in more details with the assignment of licenses at large-scale producers. I sketched a new Design within the range of the gentleman jacket, which is so not yet existent on the international market. The Design is European Union - protected.

With possible interest detaiierte information is made available.
