Mail order for lighting technology Led

order company, founded in 1984 with a focus on lighting fixtures is for sale. No employees to take over and the company location is secondary to be seen, respectively not relevant.

As a rule, only goods that have already been ordered are purchased, so there is only a small stock, which would have to be taken over.

There are about 3500 verified customer/supplier contacts.

The GmbH Mantel is debt-free, but also without loss carryforwards. The price is for the GmbH & KG, the stock levels in the amount of about 4000 euros and about the same amount for the software/hardware and the total operational data would be added. A partial payment can also be agreed upon with appropriate creditworthiness
