Look for Corporate participation, firm participation

## **Container Service Recycling Disposal**

We are a medium-sized Waste Disposal company from the Area and are looking to acquire another Waste Disposal company or Sewer or Mine mining Company in order to Expand our business activities. We are looking for a Minimum Operating Size of €500 Thousand in Sales, which are generated with about 5-10 Employees. The Location should be located in or in the immediate Vicinity of a Major German City (from 300,000 Inhabitants).

We have already been able to successfully design several Company acquisitions, which is why You can assume not only the Long-never-old Experience, but also our Creditworthiness and Confidentiality.

We are independent of The Group and Owner-managed.

### [Participation](#)

Region 13, Germany

Entry in own name
