Look for Corporate financing, investor **Creative advertising agency**

I have a creative advertising agency and am looking for capital even in production with electronic advertising systems.

go. Customers are already present, advertising systems are to be produced which allow large-scale graphics to be delivered in a natural light there.

Lightweight in weight beautiful design and easy to handle.

Can be used at trade fairs, sales houses, airports, etc.

I would also like to expand my range of advertising products.
