Offer Corporate sales, firm sales, sales **Exclusive trading company Rba**

Trade for novel RBA distribution license to be awarded throughout Europe (countries also individually) or purchase.

Idea creator and owner of the company started in the exclusive distribution of a top product from Germany. It is an RBA protected by trademark and patent law. Manufacture also Made in Germany.

The product is a world first and has a unique selling point. This world first is a novel smoking requirement (RBA) for cigars with a unique requirement for a box office hit. Well-known companies confirmed this at the Inter-tabac in Dortmund.

Of course, you will also receive the (exclusive) country distribution license or brand usage from the patent trademark owner. The product is positioned on the market in the upper quality and price segment. Very conservatively estimated sales forecast p.a. 650,000 euros. The company is debt-free and has no liabilities.
