

The big business marketplace

Business for sale more than 15 years

ID 9056

Offer Corporate co-operation, firm cooperation

Residential textiles

Offer sales space in an exclusive furniture store.

The house is conveniently located on a strongly road junction on a main road. Parking spaces directly at the house are available in sufficient numbers. The purchasing power in this region is above average, the nearby district town is the location for a number of well-known, globally active companies and craft enterprises offer the residents regional jobs, especially for skilled workers with correspondingly above the National average income.

The furniture store has very good visible shop windows and billboards. There are only near-breaking products, such as home textiles, etc.

[Co-operation](#)

Region 83, Germany

Entry in own name
