Find existing Property Management on a Pension basis or for Purchase.

For more than 13 Years, I have been working as a senior Executive and Member of the Management in a Hanoverian Property Administration and oversee a large Administrative Portfolio after the WEG. Now I want to realize my Dream and build my own Company.

Based on my many years of Experience, I am able to carry out this Task responsibly and conscientiously.

The Reasons for the Decision are different, but mainly I would like to be able to deliver Quality for the Owner again. In my current employment Relationship, I can no longer make this Claim because Of mass Management.

I am 40 Years old and am looking For a Property management system in The greater Hanover Area on a Pension basis or for Purchase; A medium-term takeover would also be possible in the short term.
