I have been working as an Author and Journalist for over 25 Years. Between 1989 and 2001, I ran a self-founded magazine publisher that edited publications around Computer Games – my most successful Object had a Print run of up to 250,000 Copies per month. Later, I realized an Internet Project that allowed Participants to play Backgammon against each other online. I am currently working as a freelance Writer (Magazines and Screenplays).

With regard to my Question: I would like to actively participate in a Publishing House, a film or theatre production or a similar Project-it is an interesting Concept with a lucrative design Possibilities. Capital available.
