Offer Corporate participation, firm participation

Car centre with shop

We would like to offer you a lucrative participation in a planned car service center in NRW. Our concept includes: car spare parts sale and delivery, repair shop, petrol station with shop and car wash, tyre service with tyre sales, automotive expert office with TÜV approval, depending on location size and area offer also body repair and car paint shop. We are convinced of our concept and we do not want to do any experiments with it, because we ourselves are from the field and work there as personnel. Regular customers and potential already exist at the planned location and we naturally expect constant growth. The equity already exists. The planned implementation period is to be by the end of . In advance, we are looking for a (passive/active) partner or business partner with capital or an independent financier. If you are interested or have a better idea, please contact us.
