ID 9657

Offer Corporate sales, firm sales, sales

Personal

The company has focused on the advice and staff - recruitment of professionals specializing in the Finanzdienstleistung.

From time constraints, the holder of the company no longer continue. The founder and owner of a small enterprise, even financial service providers which the idea of these businesses is incurred.

Currently, consulting contracts with three well-known financial service and a Munich securities dealers. From time to the business, we could never last Konsequanz operate, as this time was not feasible.

Therefore, the company is now sold, or should no buyer can be found and resolved. This would be due to the present contracts / orders regrettable.

The price negotiation is the case and moves in the four-digit range.
