Lotto, stand-up café, snack and magazines

I offer my retail business with a large number of regular customers for the integrated lottery shop. Lotto has been offered in this store for 35 years. Furthermore, I run an independent bakery in the same premises, distribute newspapers or magazines and offer a stand-up café with an snack. Very good parking. My business would have to be replaced. The current lease is €800 and will not increase for a long time. There is a very good contact with the previous owner. This is also the landlord. It is ideal for a married couple to operate. Unfortunately, my wife, who initially worked, was different in her career and so I decided to give up the business and to put it to the public. Thank you very much.
