

# The big business marketplace

Business for sale more than 15 years

ID 9717

---

Look for Corporate participation, firm participation

## **Solar technology, photovoltaic trade**

photovoltaic trade, with high potential, especially in the project business in Italy and roof acquisition.

Experience of the owner since 1994.

Serious fraud by employees has put them in disarray.

Seek silent or active participation in order to overcome the current thirst and to exploit the existing potentials. Also welcome pure loans

### [Participation](#)

Region 89, Germany

Entry in own name
