Computer Shop, computer services

We offer You the Opportunity to take over our Stores in a 1A growth and Running Position (about 8000 Contacts daily) in Cologne.

So far, the Business has been able to be introduced by our Sales professionals in a strong Sales force. Furthermore, there is still potential for sales, and the Sales chart shows a steep Growth trend since The opening. They take over a strong Customer Base consisting of end and Corporate Customers. Sales are made up of Service management, hardware and Software Sales.

With Competencies that You cannot provide Yourself and Staff we are at Your side as an introduced system house at all times.

Take advantage of a long-known, advertised and rounded Concept and name.
